

PEETELA KARTHIK

Location:DILSHUKNAGAR | Ph:6305524350 | mail :naamail2005@gmail.com

Objective:

Highly motivated and technically proficient computer engineering graduate seeking an entry-level position to utilize my skills and knowledge in software development, network administration, and problem-solving, while contributing to the growth and success of the organization.

Education :

Diploma in Computer Engineering,TRR COLLEGE OF TECHNOLOGY, November 2020-May 2023

Technical Skills:

- Programming languages: C, C++, Java, Python
- Web development: HTML, CSS, JavaScript
- Database management systems: MySQL, Oracle
- Operating systems: Windows, Linux

Projects:

1. College Enquiry Chatbot:

Developed a chatbot using Python to provide real-time information and assistance to college students.

2. Facial Recognition System:

Designed and implemented a facial recognition system using OpenCV and Python for real-time face detection and recognition. Implemented features such as face registration, attendance management, and access control.
